REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims in this application have been allowed because after clarification of the claim language (See Interview Summary 11/1/07), and a thorough search the prior art, alone or in combination, does not disclose a device for shellfish farming, comprising a transporter and a cage, wherein the cage has a plurality of sides, a first side of the cage having openings, a second side of the cage having couplings for engaging the cage onto the transporter, wherein the second side is located opposite the first side, wherein engagement of the cage onto the transporter provides for mechanical repositioning of the cage by the transporter to achieve a plurality of positions, wherein the first side faces upwards to accommodate the administration of food in a first position, faces sideways to accommodate shellfish eating and resting in a second position, and faces downwards to accommodate emptying in a third position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
